聚焦前沿科技产品的权威平台

Authoritative Platform Converging Cutting-Edge Technology

随着“中国制造2025”战略的加速推进，高性能材料、新型成形加工技术及相关设备在中国迎来广阔的发展前景且市场潜力巨大。上海国际粉末冶金、硬质合金与先进陶瓷展览会契合“中国制造2025”国家战略，为国内外厂商提供了一个技术交流、产品展示和贸易洽谈的最佳平台。经过13年的精心打造和磨炼，该展会不仅发展成为广大参展展商结识新客户的理想场所，同时推动新材料行业的发展，促进贸易合作、市场开发，引领行业趋势。

展会汇聚数百家行业领军企业，集中展示：高性能材料、先进陶瓷产品、新型成形加工技术、高精度零部件制造技术、智能制造技术、3D打印技术等当今世界最先进的工艺技术、生产设备和优质产品。

本届展览会，我们将继续深化展会内涵，秉承推动行业发展的服务宗旨，以全新的理念为广大中外参展商提供一个高质量的拓展市场、技术交流、推广新品、寻找合作伙伴的国际商贸平台。

With the acceleration of the "Made in China 2025" strategy, high-performance materials, new forming and processing technologies and related equipment have ushered in broad development prospects and have huge market potential in China. Shanghai International Exhibition for Powder Metallurgy, Advanced Ceramics and Cemented Carbides fits into the "Made in China 2025" national strategy, providing domestic and foreign manufacturers with the best platform for technical exchange, product display and trade negotiation. After 13 years of careful construction and tempering, the exhibition has not only developed into an ideal place for exhibitors to meet new customers, but also promoted the development of new materials industry, market exploration, trade cooperation and led the industry trend.

Hundreds of leading enterprises converge in the exhibition and showcase advanced technologies, equipments and high-quality products, such as: high-performance materials, advanced ceramics products, new molding and processing technology, manufacturing technology of high precision parts, intelligent manufacturing technology, 3D printing technology, etc.

The connotation of this year's exhibition will continue to deepen. Adhering to the service tenet of promoting the development of the industry, we provide a high-quality international trade platform for the vast number of Chinese and foreign exhibitors to expand market, exchange technology, promote new products and seek business partners.

学术研讨与实践应用的融合平台

Integration Platform of Academic Research and Practical Application

展会同期将举办多场高品质学术论坛、技术研讨会和产学研对接洽谈会，邀请国内外权威专家学者、科研人才和企业高管参会，与参会嘉宾们分享最新技术和发展趋势，探讨应用方案和实践问题。学术交流与产业化研究充分融合，创新思维和社会实践紧密结合。

There are several high-quality academic forums, technical seminars and Industry-University-Research matchmaking conferences held concurrently. Leading experts, researchers and corporate executives will be invited to share the latest technologies and development trends, discuss the application solutions and practical issues with participants. Academic exchange and industrialization research fully integrated, innovative thinking and social practice are closely integrated.
